

Meet us at our first in-house exhibition during interpack 2023

Dear customer,

We would like to invite you to see us at interpack 2023 (hall 12, booth A27) and more especially at our **very first in-house exhibition** taking place in our headquarters in Warendorf (Germany). Our special shuttle service will bring you from Düsseldorf to our headquarters on **05.05.2023** and **09.05.2023** for live demonstrations, personal talks and networking. Extra dates will be available on special request.

5 & 9 MAY
IN-HOUSE EXPO
AVENTUS & NEWTEC
BAG PALLETIZING
AVENTUS COMPANY
HEADQUARTERS IN WARENDORF,
GERMANY

Our in-house exhibition at a glance – Why should you participate?

See your must-have packaging solution in action!

Take part in a live demonstration of the AVENTUS & NEWTEC BAG complete packaging line in the AVENTUS technical center. Witness speed and technical precision of the most advanced and cutting-edge packaging technologies available.

Unlock high-speed possibilities by networking

One line, two technology leaders - dive into discussions about the currently fastest FFS machine on the market, **TOPAS SF** by AVENTUS, and the presently best performing palletizer for granulates on the market, **AURUM** by NEWTEC BAG, combined with the **ARGON** stretch- hood.

Embark on new paths to sustainability and digitization

Get to know our solutions for clever optimization of existing packaging lines - our **PERFORMANCE KITS!** Quick, simple, efficient - let us convince you of our digital services. This way we can always stay at your side!

For your calendar:

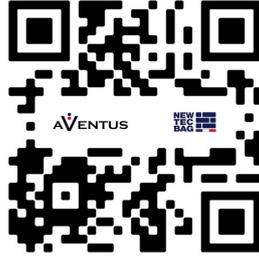

05.05.2023 & 09.05.2023

AVENTUS headquarters in Warendorf (Germany)

Show shuttle : departure from Düsseldorf on **05.05. & 09.05. at 10.30 am**,
return to Düsseldorf **at 02.30 pm** (planned arrival at 4.30 pm)

For organizational reasons we would very much appreciate you confirming your participation by **17.03.2023**.
